Find out what's new in the latest ClickShare update

Interact, discuss, collaborate with remote participants enjoying interactive hybrid meetings with touch back, annotation and blackboarding.

Bring your own meeting

ClickShare CX-30 brings seamless one-click wireless conferencing. With our agnostic wireless room system, you start a hybrid meeting from your laptop, using any conference tool fro seamless Bring Your Own Meeting (BYOM) experiences.

Walk in, connect automatically to room devices like cameras, mics, speakers, sound bars. Make hybrid collaboration flow with only one click.

Start IT-friendly hybrid meetings

Decide how you and your guests collaborate. Plug & play with the ClickShare Button and choose for smart, intent-based meeting flows powered by the ClickShare App to to make your meetings intuitive and interactive.

Enjoy interactivity features like local view of the room display, annotation, blackboarding and touch back support. ClickShare CX-30 is a fully integrated,

BARCO

agnostic wireless conferencing toom system that can be up and running in less than seven seconds. ClickShare can be used by anyone, including vistors and guests, and works wit the largest range of solutions from our compatible brands and partners.

Better hybrid meetings? Yes! With smart, intuitive meeting flows in the ClickShare App

Smart intent-based meeting flows make your meeting experience stress-free.Walk into the room, you immediately see if the room is available or booked. Automatically connect to the meeting room (PresentSense ultrasound proximity detection) or plug in a Button. ClickShare guides you as a host or participant (HostFlow). Start the meeting from your personal calendar with a single click (One-Click-Join).

Share your presentation, keep track of remote participant's video, side by side (ConferenceView). Share full screen or application window, while keeping your laptop screen private for note taking. When you end the call, the meeting room becomes a digital signage display.

Matching your organization

A set of IT friendly features makes ClickShare Conference a perfect fit to any enterprise environment. ClickShare Conference, excelling in enhanced security, seamlessly integrates in any IT- network. With the XMS Cloud Management Platform you enjoy easy management of units, intuitive user experiences and clear analytics to drive your digital workplace.

For practical questions on network deployment of the ClickShare Conference range, check our technical support or get in touch with your Barco contact

You can have ClickShare in your meeting rooms without delay, thanks to strong inventory levels for all models.
